

**ICAR-Central Soil Salinity Research Institute, Karnal**  
**Swachhata Report 26.12.2021**

ICAR-Central Soil Salinity Research Institute, Karnal is organizing the Swachhata Pakhawada from 16-31 December, 2021. In this order, on 26.12.2021, we organized an awareness programme on “awareness on waste management and other activities includes utilization of organic waste/generation wealth from waste” for the school children of Govt. Primary School, Kalampura, District Karnal. The programme was led by Dr. Vijaya Singh and others member were Dr. Ram Kishor Fagodiya, Ms. Santra and Ms. Manisha. At the onset of the programme, Dr. Vijaya Singh made awareness about the preparation of compost using the kitchen waste and crop residues. Then we conducted a quiz for the class 4<sup>th</sup> and 5<sup>th</sup> considering the question from the drinking water sanitization, compost, solid waste and kitchen waste. Total 12 nos. of students were participated in quiz. Thereafter, we organized a small rally for school children. The winner of the quiz was awarded by distributing the diaries and pens. We distributed the sweets to the school children. At the end of the Programme, Dr. Ram Kishor Fagodiya gave a formal vote of thanks to the school staff.
