ICAR-Central Soil Salinity Research Institute
Regional Research Station, Bharuch

"Khet Bhachao Abhiyan" "स्वस्थ धरा, समृद्ध किसान"

A national campaign "KHET BACHAO ABHIYAN" is scheduled to organize from 22 October to 30 November, 2026, across the country. Various farmers meetings are being organized by different institutions under this Abhiyan. ICAR-Central Soil Salinity Research Institute, Regional Research Station, Bharuch officially inaugurated the Abhiyan on 22nd October 2026, with all staff and information about the Abhiyan was given to all staff. A Scientist-Farmer Interaction meeting by MGMG team no. 11, was organized in Buva village, Amod taluka of Bharuch district of Gujarat on 30/10/2026. About 15 farmers participated in this program. Farmers were informed about the purpose of this Abhiyan, about our institute and its mandate, workings, soil health management and soil testing, balance use of fertilizer, integrated nutrient management, crop rotation, natural farming, soil sampling and other aspect of sustainable farming by Scientists of ICAR-CSSRI, RRS, Bharuch namely Dr Anil R. Chinchmalatpure and Dr. Vineeth TV. Constraints and difficulties faced by the farmers were also discussed and suggested possible solutions. Technical officer Champak Taviyad and SSS, was remained present during the Abhiyan.
